## LAVALLETTE WINTERIZATION 2023

### PROCEDURES

#### INBOARD/OUTBOARD

1. Ensure proper operating condition and flushing cooling system.
2. Run the engine sufficiently, bring up to normal operating temperature, allowing a portable gas tank filled with a mixture to circulate through the fuel system.
3. Drain water from engine block and fill internal water passage with anti-freeze.
4. Spray lubricant on all external parts to prevent against corrosion.
5. If the engine is a closed cool water system, the anti-freeze will be inspected for freeze protection (minimum of -10°F).

#### OUTDRIVE

1. Remove unit.
  2. Inspect universal bearing, universal joints, bellows, shift shaft bushing etc.
  3. Drain and re-fill gear lube. Replace drain screw and mounting gaskets.
  4. Grease shaft and all zerk fittings.
  5. Reinstall unit.
- \*Gear Oil Reservoir may need to be monitored/refilled after first ride in Spring.\*

#### OUTBOARD

1. Run engine to ensure proper operating condition and flush cooling system.
2. Run the engine sufficiently, bring up to normal operating temperature, allowing a portable gas tank filled with a mixture to circulate through the fuel system.
3. Grease all zerk fittings.
4. Drain and re-fill gear lube. Reinstall drain screws and replace gaskets.
5. Spray lubricant on all external parts to prevent against corrosion.
6. Remove, grease, and reinstall prop.

#### WATER SYSTEMS

1. Drain water system.
  2. Run anti-freeze through the system.
  3. Inspect system for visible leaks.
- \*Hot water heater may require commissioning to prevent damage in Spring.\*

**Please note: If you are storing your vessel with Ocean Beach Marina Lavallette, whether home or on our premise, storage MUST be paid for prior to scheduling. A card MUST be on file in order to schedule any winterization services. Once the work is completed, you will have a week (7 days) to use an alternative form of payment. If alternative payment is not received, the card on file will be charged. There is a 3% fee on all credit card transactions.**
